

TMK UP TORQ® DQW™

TORQ SERIES

Range: 4-1/2" – 5-1/2"

Applications

- Extended-reach Drilling
- Shale
- Drilling with Casing
- Production Casing
- Intermediate Casing
- Liners and Tie-Backs
- Rotating during Installation
- Rotating while Cementing
- Frack Strings
- HPHT

Dovetail Threads

- Extreme torque capacity
- High connection efficiency
- Radial lock improves seal performance

Near Touching Pin Nose-to-Pin Nose

- Minimizes turbulent flow
- Prevents ID restriction

Run-Out Threads

- Extended fatigue life due to low interference run-out threads
- Reduced coupling stresses
